Candidate response to questionnaire:  
Government should treat every individual equally under the law, not pick winners or losers, & replace funding to entities with direct redistribution.

- [www.frcaction.org/swanson](http://www.frcaction.org/swanson)  
Candidate response to questionnaire:  
Oppose - at least until we have balanced the budget & paid down the debt. Those folks voted to borrow that money & benefited from it.
- [www.frcaction.org/swanson](http://www.frcaction.org/swanson)  
Candidate response to questionnaire:  
Mixed feelings. In light of increased spending, that was arguably a tax deferral, not a tax cut.
- [www.frcaction.org/swanson](http://www.frcaction.org/swanson)  
Candidate response to questionnaire:  
We need single stall unisex or family options, which are phenomenal for mothers, caregivers of elderly, & disabled, & LBTQT community.

Candidate response to questionnaire:  
Mixed feelings. I loved the religious symbolism, but it caused further antagonism & hostility. I wondered if Israel wasn't quite ready yet for the move.
