VOTE SCORECARD

115TH CONGRESS / SECOND SESSION

Available at FRCAction.org/scorecard

U.S. HOUSE OF REPRESENTATIVES and U.S. SENATE

Dear Voter and Friend of the Family,

FRC Action presents our Vote Scorecard for 2018, the Second Session of the 115th Congress. This scorecard contains a compilation of significant votes on federal legislation affecting the family that FRC Action either supported or opposed. These recorded votes span votes in the 2018 calendar year. As Republicans enjoyed unified control of the federal government under President Donald Trump, 2018 presented enormous opportunities for the enactment of conservative, pro-life, and pro-family legislation and the confirmation of pro-life judges and cabinet secretaries.

In the U.S. Senate, FRC Action scored in favor of confirming Brett Kavanaugh to be an Associate Justice on the U.S. Supreme Court to fill the seat Justice Anthony Kennedy left vacant. FRC Action also scored in favor of confirming Mike Pompeo to be U.S. Secretary of State, Sam Brownback to be Ambassador-at-Large for International Religious Freedom, and Kyle Duncan to be U.S. Circuit Judge for the 5th Circuit. FRC Action also scored in favor of an amendment to defund Planned Parenthood and for a bill to restrict abortion at five months when science shows babies can experience severe pain.

In both chambers, FRC Action scored in favor of an amendment to eliminate the District of Columbia healthcare individual mandate, because that mandate effectively requires people to purchase plans with abortion coverage since all plans in the District cover elective abortion.

After Republicans spent much of the previous year trying to repeal the Obamacare mandate and they successfully passed the Tax Cuts and Jobs Act in 2017, the House voted on fewer values issues in the 2018 election year. FRC Action did score House votes on the Born Alive Survivors Protection Act to ensure born alive babies after failed abortions are not killed. Votes also included another tax bill that included a provision to expand 529 education savings accounts to “unborn children,” and another tax bill that contained provisions to gut the Johnson Amendment restriction on 501(c)(3) ability to speak on campaign matters and a provision repealing the Tax Cuts and Jobs Act tax on transportation deduction for employee benefits.

This vote scorecard contains five votes in the House and eight votes in the Senate for the Second Session of the 115th Congress. While Congress passed, and the president signed, key pieces of pro-life and pro-family legislation last year, much more needs to be done to rebuild a culture where *all human life is valued, families flourish, and religious liberty thrives*. Thank you for standing with us!

Please contact the Government Affairs office of FRC Action for questions about the scorecard.

115th Congress 2nd Session Scorecard Summaries

HOUSE

1. Rule to Allow a Vote on the Born Alive Abortion Survivors Protection Act

Sponsored by Rep. Liz Cheney (R-WY), this resolution (H.Res.694) was a procedural rule to allow for a vote on Rep. Marsha Blackburn's (R-Tenn.) *Born-Alive Abortion Survivors Protection Act* (H.R. 4712). H.R. 4712 would require a health care practitioner to provide life-saving medical care to a baby born alive who survives an attempted abortion.

(Passed 01/18/2018, 228 yeas to 189 nays, Roll Call No. 30)

FRC Action Supported this Resolution.

2. Born Alive Abortion Survivors Protection Act

Sponsored by Rep. Marsha Blackburn (R-Tenn.), the *Born-Alive Abortion Survivors Protection Act* (H.R. 4712) would require a health care practitioner to provide life-saving medical care to a baby born alive who survives an attempted abortion. This vote was on passage of the bill.

(Passed 01/19/2018, 241 yeas to 183 nays, Roll Call No. 36)

FRC Action Supported this Bill.

3. Amendment to Defund the D.C. Healthcare Individual Mandate

Sponsored by Rep. Gary Palmer (R-Ala.), this amendment (H.AMDT. 946) to the *Interior, Environment, Financial Services, and General Government Appropriations Act, 2019* (H.R. 6147) would prevent funding for the District of Columbia (D.C.) law mandating residents purchase health insurance. In December 2017, Congress passed and the President signed the *Tax Cuts and Jobs Act* (H.R. 1), which repealed the individual mandate penalty contained in the *Patient Protection and Affordable Care Act*. However, D.C. passed the *Health Insurance Requirement Amendment Act* on June 26th of this year to re-impose an individual mandate on D.C. residents. Since all plans available through the D.C. health care exchange cover elective abortion, the mandate in effect requires the purchase of insurance plans that cover elective abortion.

(Passed 07/18/2018, 226 yeas to 189 nays, Roll Call No. 359)

FRC Action Supported this Amendment.

4. Family Savings Act of 2018

Sponsored by Rep. Mike Kelly (R-Pa.), the *Family Savings Act of 2018* (H.R. 6757) would expand 529 education savings plans to make "unborn children" eligible for benefits. The provision also would expand the use of such savings plans for homeschooling expenses. This vote was on passage of the bill.

(Passed 09/27/2018, 240 yeas to 177 nays, Roll Call No. 411)

FRC Action Supported this Amendment.

5. Retirement, Savings, and Other Tax Relief Act of 2018

Sponsored by Rep. Kevin Brady (R-Texas) the *Retirement, Savings, and Other Tax Relief Act of 2018* (H.R. 88) would include three important pro-faith and pro-life tax provisions. First, to expand 529 education savings plans to make "unborn children" eligible for benefits. Second, to remove a tax on non-profits and churches that offer parking and transit benefits to their employees. Third, to address the Johnson Amendment which forbids tax exempt organizations from engaging in any activity that may be interpreted as campaign related. This vote was on an amendment to the Conference Report.

(Passed 12/20/2018 220 yeas, to 183 nays, Roll Call No. 470)

FRC Action Supported this Amendment.

SENATE

1. Cloture on the Nomination of Sam Brownback to be Ambassador-at-Large for International Religious Freedom

Nominated by President Donald Trump to serve as Ambassador-at-Large for International Religious Freedom, Gov. Sam Brownback of Kansas is a veteran lawmaker, seasoned executive, and champion of religious liberty at home and abroad. His experience and values put him in a strong position to make the changes needed to promote and defend religious freedom in the United States' foreign policy.

(Passed 01/24/2018, 50 yeas to 49 nays, Vice President voted yea, Roll Call No. 22)

FRC Action Supported this Motion.

2. Cloture on the Pain-Capable Unborn Child Protection Act

Sponsored by Sen. Lindsey Graham (R-SC), the *Pain-Capable Unborn Child Protection Act* (S. 2311) would have outlawed elective abortion nationwide after 20 weeks gestation, the point at which an unborn baby possesses the ability to experience severe pain. This vote was on the motion to proceed to the underlying bill.

(Failed 01/29/2018, 51 yeas to 46 nays, Roll Call No. 25)

3. Cloture on the Nomination of Russell Vought to be Deputy Director of the Office of Management and Budget

Nominated by President Donald Trump to serve as Deputy Director of the Office of Management and Budget, Russ Vought is a highly qualified individual. Despite his qualifications, Vought was attacked for his faith during his confirmation hearing – specifically for defending Wheaton College (his *alma mater*) and centuries of Christians' belief in the centrality of Jesus Christ for salvation. Refusing to confirm Vought because of his Christian beliefs is bigoted and un-American.

(Passed 02/27/2018, 49 yeas to 48 nays, Roll Call No. 39)

4. Cloture on the Nomination of Kyle Duncan to be a Circuit Judge for the United State Court of Appeals for the Fifth Circuit

Nominated by President Donald Trump to serve on the Fifth Circuit Court of Appeals, Kyle Duncan has extensive appellate litigation experience and has argued over 30 cases in federal and state appellate courts, including the U.S. Supreme Court; the U.S. Court of Appeals for the Fifth, Tenth, and D.C. Circuits; and the Louisiana and Texas Supreme Courts. His judicial philosophy places great weight on the text of a statute and constitutional provision. This, together with his understanding that the role of the judiciary is to apply the law as constructed, makes him a strong, qualified candidate to serve on the Fifth Circuit.

(Passed on 04/23/2018, 50 yeas to 44 nays, Roll Call No. 81)

5. Cloture on the Nomination of Director Mike Pompeo to be Secretary of State

Nominated by President Donald Trump to serve as Secretary of State, Director Mike Pompeo is an experienced legislator and, as CIA Director, well-versed in foreign policy and equipped to lead. His experience and values put him in a strong position to make the changes needed to promote and defend religious freedom in the United States' foreign policy.

6. Amendment to Defund the D.C. Healthcare Individual Mandate

Sponsored by Sen. Ted Cruz (R-TX), this amendment (S.AMDT. 3402) to the *Interior, Environment, Financial Services, and General Government Appropriations Act, 2019* (H.R. 6147) would prevent funding for the District of Columbia (D.C.) law mandating residents purchase health insurance. In December 2017, Congress passed and the President signed the *Tax Cuts and Jobs Act* (H.R. 1) which repealed the individual mandate penalty contained in the *Patient Protection and Affordable Care Act*. However, D.C. passed the Health Insurance Requirement Amendment Act on June 26, 2018, to re-impose an individual mandate on D.C. residents. Since all plans available through the D.C. health care exchange cover elective abortion, the mandate in effect requires the purchase of insurance plans that cover elective abortion. The Cruz amendment was tabled on a procedural vote. A similar amendment passed in the House on July 18, 2018.

(Tabled 8/1/2018, 54 yeas to 44 nays, Roll Call No. 179)

7. Amendment to Stop Funding for Planned Parenthood

Sponsored by Sen. Rand Paul (R-KY), this amendment (S. AMDT 3967) to the *Department of Defense and Labor, Health and Human Services, and Education Appropriations Act, 2019* (H.R. 6157) would have prevented taxpayer funding of the Departments of Defense, Labor, and Health and Human Services from funding entities that perform abortions such as Planned Parenthood.

8. Cloture on the Nomination of Brett Kavanaugh to be a Justice on the Supreme Court of the United States

Nominated by President Donald Trump on July 9 to fill the seat Justice Anthony Kennedy left vacant in June, Judge Brett Kavanaugh is a judge and a scholar who has pledged to uphold the original meaning of the Constitution. Judge Kavanaugh served for twelve years on the D.C. Circuit Court of Appeals, where he established a record of fidelity to the rule of law. [Judge Kavanaugh authored more than 300 opinions and joined hundreds more, submitted 17,000 pages with his 120-page written response to the Senate Judiciary Committee Questionnaire, went through seven FBI background checks over his career, and forcefully denied under penalty of perjury any of the allegations which were uncorroborated by alleged eye witnesses.] This vote of 51 yeas to 49 nays was on the cloture motion to end debate and proceed to the nomination. Judge Kavanaugh was confirmed a day later by 50 yeas to 48 nays.

(Passed 10/05/2018, 51 yeas to 49 nays, Roll Call No. 222)

FRC Action Supported this Cloture Vote.
