- “Mike also has an extensive record of fighting for access to affordable reproductive healthcare—he has a 100% rating from Planned Parenthood and NARAL Pro-Choice Montana. Since he was first in the legislature, he’s fought tooth and nail to reject legislation that would restrict access to health care and will continue to do so when he’s Governor. He’ll also continue the legacy of the Bullock administration by protecting permanent Title X funding in the state’s budget.” This statement was posted on:
